

CLEAR PINE

DISINFECTANT, VIRUCIDE* AND CLEANER

Neutral cleaning and disinfecting can be accomplished with this pine fresh product. This product is a quat based ammonium disinfectant that is effective against bacteria including Salmonella Choleraesuis, Pseudomonas Aeruginosa and Staphylococcus Aureus on hard surfaces. It is also effective against the HIV-1 [AIDS] Virus.

Clear Pine is formulated to clean and disinfect while leaving a fresh, deodorizing, pine fragrance. Ideal for use in virtually all institutional or commercial sanitation programs for the control of disease and odor causing germs. It may be used on virtually all washable surfaces such as porcelain, tile, enamel, metal, resilient floors, laminates and painted surfaces. It will not dull or remove detergent resistant floor finishes or waxes.

FEATURES

- Neutral pH
- Surfactant enhanced
- Fresh, deodorizing pine scent
- 2-4 ounce dilution ratio
- Quat based formula

RELATED BENEFITS

- Safe on finished floors
- Excellent cleaning capabilities
- Counteracts airborne odors
