

PERFECT

NON-ACID RESTROOM CLEANER

Restroom surfaces will sparkle and shine when cleaned with this clinging, non-acid cleaner. Its distinctive clean fragrance fights odors and leaves the room smelling fresh. The aggressive formula attacks soap scum, mineral deposits, and other tough restroom soils without the use of acids or strong abrasives. This cleaner is safe to use on porcelain, plastic, fiberglass, ceramic tile, marble, Formica and glass. It will not discolor or damage metal-plated or soft metal surfaces.

FEATURES
