

ORANGE ALL[®]

CLEANER DEGREASER REMOVES GREASY GRIME AND TOUGH TO GET OUT STAINS INSTANTLY! USER FRIENDLY!

Natural citrus solvent d-limonene, one of nature's strongest cleaners, is coupled with detergents and emulsifiers to create this aggressive and versatile cleaner-degreaser. This concentrated cleaner provides rapid penetration and removal of heavy or tenacious soils. It can be used in a wide variety of cleaning applications to remove organic and inorganic soils from virtually any washable surface. Diluted properly this product is not harmful to metals, aluminum, glass or floor finishes.

FEATURES

- Organic citrus solvent
