## **CARPET MAINTAINER FOR DRY CLEANING OF CARPETS, RUGS AND UPHOLSTERY FRESH CITRUS SCENT**

Interim carpet maintenance is an important, often overlooked, step in maintaining your carpet investment. Interim cleaning of high traffic areas can keep your high profile areas looking presentable and clean as well as lengthen the life of your carpet. This concentrate is for use with a floor machine in bonnet cleaning carpet care applications. This product is formulated to help the bonnet act as a dirt magnet. It can be used as a spray for "dry" cleaning of areas where traffic is continuous or with a mop bucket and wringer for a more thorough wet bonnet cleaning operation. It is ideal for cleaning traffic lanes.
