

SPRAY BUFF

FLOOR MAINTAINER

Designed to clean and restore finished floors in one easy step. This restorer will remove dirt, marks and grime while repairing scuffs and abrasions. For use with a standard speed floor machine as part of a spray buffing floor maintenance. The use of this product will prolong the life of floor finishes and decrease the need to strip and recoat. Used as part of a regular floor maintenance program, this product can save thousands of dollars in labor expense.

FEATURES

- Economical
- Non-flammable
- Repairs scuffs/abrasions
- Gives lubricity to high speed machines
- Prolongs life of floor finish

RELATED BENEFITS

- Clean and restore polish
- User friendly
- Restores shine
- Save labor and machine wear
- Saves money

AREAS OF USE

Use on finished floors:

- Restaurants, hotels, motels, offices
- Hospitals, nursing homes, doctors offices
- Schools, universities, child care centers
- Grocery stores, malls, retail stores

TO USE

Pour into an automatic or manual sprayer. Spray a fine mist over a small area to be cleaned (about 5 feet at a time). Immediately buff sprayed area with a floor machine and nylon buffing pad until clean and dry. Change pads when they get clogged. When cleaning operation is completed, polish entire floor with brush or pad. **See label for complete directions and use only as directed.**
