

This Roller Grill Cleaner is built with synthetic detergents. The concentrated, surfactant-built, alkaline formulation has been engineered to use its water-based solvents to rapidly penetrate, emulsify and suspend grease and heavy soil accumulation. It provides outstanding performance in removing grease and soil from virtually any surface in food service areas. Always wash, rinse and sanitize after using on a food contact surface.

Technical Data

Packaging	12/ Qts.
Product Number	L59231
Dilution	RTU
Physical State	Liquid
Color	Purple
Fragrance	Floral
RTU pH.....	12.5
Freeze/Thaw Stability	Excellent

Where It Cleans

- Roller Grills
- Ovens
- Grills
- Rotisseries
- Vent Hoods
