

# BRVA BICEP cleaner concentrate

A concentrated, water soluble, liquid detergent degreaser with extremely high dilution ratios. An ideal choice for most hard-to-accomplish cleaning and degreasing applications. It is an excellent product for use in automatic floor scrubbers due to its controlled low suds. It is formulated with synthetic detergents, solvents, and alkaline builders to provide maximum cleaning and degreasing efficiency. This product works well to remove floor wax.

Formulated for the medium to heavy duty maintenance cleaning jobs where a single purpose product is required for removal of light greases, vegetable oils, waxes, inks, grass stains, soft carbons, body greases, buffing rouges, soot deposits; from mobile equipment, plant machinery, conveyors, floors, walls, printing presses, plastic upholstery, shower stalls, light fixtures, metal parts, bowling pins and balls.

Features	-	Related Benefits
Versatile	-	Multi use cleaning
Concentrated	-	Inexpensive to use
High in solvent	-	Excellent flushing action on oils and greases
Low foam	-	Ideal in auto scrubbers
Strips wax	-	Eliminates need for another product

#### Areas of Use -

- Whitewall tires
- Institutional facilities
- Industrial plants
- Restaurants, cafeterias
- Schools, day care centers
- Hotels, motels, office buildings
- Marine
- Warehouses, concrete floors

#### To Use -

Use at dilutions from 1:1 up to 50:1. See label for complete directions and use only as directed.

#### Specification Data

Available Sizes - 4/1G, 5G	Physical State - Liquid
Color - Purple	Fragrance - Butyl
Foaming - Moderate	Phosphates - 0.2
Detergency - Excellent	Biodegradable - Yes
Specific Gravity - 1.037	pH - 13.0
