

A highly concentrated alkaline degreaser.

The formulation has been developed to allow oil to not emulsify with water, allowing oil to be skimmed with proper equipment.

May be used in enclosed parts-washer, water based baths, and general purpose industrial cleaning.

Ideal for use in vehicle repair and maintenance facilities where extensive cleaning and de-greasing take place.

DIRECTIONS

Read Safety Datasheet before using this product.

Dilute at 10:1 up to 50:1 water to detergent. Adjust dilution based on soil load. Works in both hot and cold water.

Apply to surface to be cleaned. Allow for sufficient contact time for the detergent to work.

Remove soil with high pressure spray. For heavy soil, agitation may be required.

For Industrial and Commercial Use Only.

MONTGOMERY MANUFACTURING COMPANY

The Right Cleaner, Exactly Right!

DANGER: Causes severe skin burns and serious eye damage. Do not breathe dusts or mists. Wash hands thoroughly after handling. Wear protective gloves, clothing, eye and face protection. If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a doctor. If in eyes: Rinse cautiously with water for several minutes.
