

Pink Lotion Detergent – High Performance
Makes Dishes, Glassware & Silverware Sparkle
Dissolves Grease From Pots & Pans Like Magic

EASY ON HANDS – Combines the maximum practical detergent concentration plus lotion mildness to make possible the finest hand dishwashing liquid that is soft and gentle to the hands, dispenses easily, disperses quickly, and makes dishes cleaner than ever before.

ECONOMICAL TO USE – Economical to use. As you run water into the sink or wash vat, add SPARKLE at rate of one ounce per four gallons of water. Increase quantity as needed for hard water areas and excessively greasy utensils.

DIRECTIONS

Read Safety Datasheet before using this product.

Remove gross food and soil before washing. Add ¼ ounce of Sparkle per gallon of water while running water into the wash sink. Increase quantity as needed for hard water areas and excessively greasy utensils.

For best results, water temperature should be between 100–110° F. When possible, wash glassware in a separate sink. Do not overload the wash solution with grease. Change the solution often. Rinse with hot water and sterilize according to local health regulations. Rinse with water.

Do not release directly to surface water or groundwater. Neutralize pH before release to water treatment center.

For Industrial and Commercial Use Only.

MONTGOMERY MANUFACTURING COMPANY

The Right Cleaner, Exactly Right!
