

CARROLL CLEAN

Non-ammoniated Extra Heavy Duty Stripper

Formulated for Professional Contract Cleaners

This product has been specially formulated to quickly and aggressively remove floor polishes and waxes.

A concentrated "reliquifying" stripper, designed to work with little or no agitation. This product is a tremendous labor and time saver.

DIRECTIONS FOR USE

Directions for Mop & Vac stripping:

1. Dilute 1:5 with cold water (21 oz/gal). For heavy build-ups dilute 1:3 (32 oz/gal).
2. Apply liberally and allow to soak about 5 minutes. Keep area wet by adding stripper solution if necessary.
3. Pick up solution with mop or wet-vac.
4. Rinse well. 5. Allow floor to dry thoroughly before applying finish.

Machine Stripping:

1. Dilute 1:8 with cold water (14 oz/gal).
2. Apply liberally to floor. Allow to soak about 5 minutes. Keep area wet by adding more solution if necessary.
3. Scrub with black stripping pad.
4. Pick up solution with mop or wet-vac.
5. Rinse well.
6. Allow floor to dry before applying finish.

Note: This product can cause fading and discoloration of some older tile. Test in an out of the way area before using.
