Clean glass and any hard surface with this institutional strength cleaner. The special formula does not contain ammonia. It is designed to remove smudges, greasy soils, and fingerprints. The special blend of ingredients prevents streaking and fogging.

ATTENTION: This chemical does not meet the hazardous criteria set forth by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses, if worn. If irritation persists, get medical attention. **KEEP OUT OF REACH OF CHILDREN.**
